SENAWI
GROUP CONSULTING LLC

ELEVATORS • ESCALATORS • MOVING WALKS

ELEVATING PERFORMANCE. DELIVERING SOLUTIONS.

Senawi Group Consulting LLC provides expert solutions for vertical and horizontal transportation systems. We combine industry experience, technical knowledge, and a commitment to safety and quality to deliver reliable results for every project.

SAFETY FIRST
Safety is the foundation of everything we do.

CLIENT FOCUSED
We take a collaborative approach, tailoring our solutions to your unique needs and goals.

RESULTS DRIVEN
Data-informed solutions that deliver measurable improvements in performance, reliability, and value.

RELIABLE PARTNER
Committed to quality, integrity, and long-term partnerships.

OUR SERVICES

NEW INSTALLATIONS OF ELEVATORS	Complete elevator systems installed with precision, meeting the highest safety, code, and quality standards.
MODERNIZATION OF ELEVATORS	Upgrade existing equipment with the latest technology to improve performance, efficiency, and extend service life.
MAINTENANCE	Proactive maintenance programs designed to maximize reliability, minimize downtime, and ensure long-term performance.
REPAIR	Fast, effective service to diagnose and resolve issues, restoring optimal operation with minimal disruption.
REPAIRS OF ELEVATORS	Comprehensive repairs for all elevator components and systems to ensure safety, reliability, and continued performance.

INDEPENDENT EXPERTISE
FOR THE ENTIRE LIFECYCLE OF YOUR VERTICAL TRANSPORTATION SYSTEMS.
